Subject: RE: Conference Call to Discuss Tonawanda Coke site

Hi Colleen,

Here are some topics we anticipate covering on the call. Please feel free to add others, either now or on the call tomorrow:

We'd like to hear from ELT about your experience redeveloping sites similar to Tonawanda Coke;
The government will update ELT on where things are with the removal action and long term cleanup at the Tonawanda Coke site;
We would like to know whether ELT works exclusively with sites in a Brownfields program, or can ELT work with a state or federal Superfund listed site;
What site-specific questions does ELT have; and
Does ELT have a long term redevelopment goal for this site, and/or a specific proposal and a vision for how that would be implemented?

I look forward to talking with everyone.
Laura

Thanks Laura. For ELT, the participants will include Adam Kovacs and myself.

Is there an agenda for the call? Or an overall goal we want to achieve in the call?

Thanks

Hi Colleen,

For the Department of Justice, David Gordon and I will participate.

For EPA, Jim Doyle will be on the call.

I will let Terri Mucha and Rosa Evergreen answer for the State of New York and Honeywell, respectively, since I don't want to leave anyone off the list who might plan to participate.

Who will participate for ELT?

Thank you,
Laura

Laura, can you provide the names of those confirmed for tomorrow's call, and their affiliation?

Thank you.
